The online Travel PA plan provides comprehensive protection against injuries or death, travel inconveniences and medical expenses when you are abroad.

TAKAFUL Malaysia introduced an affordable all-in-one online Travel Personal Accident (PA) plan, Takaful myClick Travel PA, as part of the company's ongoing digital strategy to provide innovative takaful solutions in meeting ever-rising consumer expectations.

With the growing awareness and increase in demand for travel protection products, the online Travel PA plan provides comprehensive protection against injuries or death, travel inconveniences and medical expenses when abroad.

Syarikat Takaful Malaysia Keluarga Berhad (formerly known as Syarikat Takaful Malaysia Berhad) group chief executive officer, Datuk Seri Mohamed Hassan Kamil said, "We remain focused in providing a wider portfolio of innovative product mix that caters to the needs of mobile-empowered consumers who are constantly looking for online protection solutions.

"This product is a direct indication of our customer-centric mindset to provide smarter travel insurance options to the customers by offering high-quality personal accident and medical as the key features besides the travel related benefits. This specially designed online Travel PA is a new addition to our existing innovative insurance solutions offered via our Online Sales Portal, Click for Cover, in line with our strategy to further strengthen our General Takaful business and stay relevant in the ongoing digital revolution."

Takaful myClick Travel PA provides comprehensive benefits and coverage when abroad, namely personal accident, medical, hospital allowance, emergency medical evacuation and repatriation as well as the travel inconvenience and other travel related benefits.

Available in three exclusive package plans – Bronze, Silver and Gold for single trips and annual plans, this product features a flexible suite of insurance options to suit the travel needs of both individuals and families along
