EXPLANATORY NOTES

How to read this document

Please note that your Motorcycle Certificate only starts from page 6 onwards. To help you read and understand your certificate better we provide some explanatory notes together with comments and examples (written in *italic*). These are not meant to be part of your certificate and should not be used to interpret your Takaful contract in the event of any dispute.

Words in bold

You will notice that some words in the certificate are printed in **bold** letters. This is because they have been given specific meaning in your Motorcycle Certificate. Please refer to Section F on pages 17 to 19 for the meaning of these words.

What makes up your Takaful contract?

Your Takaful contract with us is made up of the following:

- Takaful certificate in pages 6 to 25 (excluding the *italic* texts);
- the information you provided us when you applied for this Takaful;
- the Schedule;
- the Endorsements attached to the certificate; and
- the Certificate of Takaful (CT).

All these must be read together as they form your Takaful contract.

What this certificate does not cover?

These are referred to as 'Exceptions' in your certificate and there are three sections where you can find them:

- Section A1b – see 'What is Not Covered' (page 7): applicable to Comprehensive certificate only.
- Section B1b – see 'What is Not Covered' (pages 10 and 11): applicable to Comprehensive, Third Party, Fire & Theft and Third Party Only certificates.
- Section D – see 'General Exceptions' (pages 12 to 13): applicable to Comprehensive, Third Party, Fire & Theft and Third Party Only certificates.

There are generally three reasons why we put these exceptions in your basic Motorcycle Certificate:

1. Cover is not provided for the exceptions. You have to pay additional contribution if you want to cover any of these exceptions. Some examples of the exceptions which are not covered by your basic Motorcycle Certificate but which can be covered if you pay additional contribution are:
 - flood, storm {see Section A1b – 'What is not Covered' (page 7)};
 - strike, riot, civil commotion {see Section D – 'General Exception 8b' (page 13)}; and
 - use outside Malaysia, Singapore or Brunei {see Section D – 'General Exception 6' (page 13)}.
2. There are other risks which are not covered by the basic Motorcycle Certificate or by any of its extensions. We would have to issue a different certificate if you want these types of cover. For example, carriage of goods are not covered by your Private Motorcycle Certificate but can be covered under a Commercial Motorcycle Certificate.
3. We cannot and do not cover certain risks at all. Some examples of these can be seen in Section D – 'General Exceptions' (pages 12 to 13) such as:
 - war, nuclear fission or fusion;
 - risks that are against government/public policy or against the law; and
 - drunk riding.

Your Motorcycle Certificate type is categorised by its permitted use – Make sure that you have obtained the correct certificate type for your motorcycle or you may have no cover.

Each type of Motorcycle Certificate covers a specific usage of the vehicle. If you have obtained for the wrong Motorcycle Certificate type, you may find that you actually have no Takaful cover at all. The type of Motorcycle Certificate is stated in the Certificate of Takaful under the heading 'Limitations as to Use'. Users for whom you have covered are named under the heading 'Persons or Classes of Persons Entitled to Drive'.

The following are standard types of Motorcycle Certificates:

- i. Private Use
- ii. Commercial Use
- iii. Motorcycle Trade
- iv. Motorcycle Used for Hire

A Motorcycle Certificate for Private Use covers you if your motorcycle is used for "social, domestic and pleasure purposes and for the participant's business". The following are some examples of these personal situations for which your Takaful certificate will provide you cover:

- to visit relatives and friends, go shopping etc.;
- giving lifts where no fee will be charged or paid; and
- limited work or business related transport such as getting to and from work and for attending business meetings.

A Motorcycle Certificate for Commercial Use must be obtained if the motorcycle is meant or intended to ferry any goods in connection with any trade or business.

A Motorcycle Certificate for Trade Plate Use is intended for:

- motorcycle retail trade (showroom display and/or for test-ride, etc.); and
- repair trade (towing/repair/test-ride, etc.).

A Motorcycle Used for Hire is intended for motorcycles which are in the business of being rented or hired out for use (see Very Important Note below).

VERY IMPORTANT NOTE: Unless your Certificate is specifically extended for this purpose, you will have no Takaful cover if you use your motorcycle in the following manner:

- to practise for or to take part in any race, rally, pacemaking, reliability trial or speed test;
- use on any racetrack; and
- for rental, hire and reward.

Who can ride your motorcycle?

- This depends on whether you have obtained the 'Single Rider' or the 'All-Riders' cover. The 'Single Rider' only covers one rider who is named in the certificate. The person named is usually the owner of the motorcycle. The problem with the 'Single Rider' cover is that the certificate will not cover if an accident happens while the motorcycle is being used by someone other than the participant named rider. As such, most customers prefer the 'All-Riders' cover as lending motorcycles to friends and relatives is quite commonly practised in Malaysia.
- With the 'All-Riders' cover practically anyone can ride your motorcycle as long as the rider:
 - has a valid licence of the relevant class to ride and is not disqualified to ride by law or for some other reason (see exclusion on Unlicensed Riders in Section D – 'General Exception 1' (page 12));
 - has your permission to ride (see definition of Authorised Rider in page 19); and
 - complies with all the terms and conditions of this certificate.
- Note that for either cover, if you or your authorised rider is not qualified to ride or breach any of the terms and conditions, your claim may be rejected. If we are compelled by law to pay, we can recover any sum(s) paid and any expenses incurred from you or your authorised rider.

In which territory is your motorcycle covered?

This Takaful you have participated only covers you in Malaysia, Singapore and Brunei in accordance to the laws of Malaysia. Additionally, note that if you intend to ride your motorcycle into Singapore, you are required by Singapore's law to have cover against Legal Liability to Pillion (LLP). Since LLP is not covered by the basic Motorcycle Certificate, you will need to obtain Endorsement 108 (see page 26), which provides a limited cover for your liability for death or bodily injury of pillion.

When is your cover effective?

This Takaful is effective from the time of participation of the Takaful contract or at the agreed time of commencement, until the expiry date. The period of Takaful will be printed in the Certificate Schedule and related documents. If there is any change to these dates, it will be officially shown in an Endorsement issued by us.

How much should you cover your motorcycle for under a Comprehensive or Third Party, Fire and Theft Certificate?

To be safe, you should cover your motorcycle at its current market value (see definition in page 18). In simple terms, this is the current cost to replace your motorcycle with another motorcycle of the same make, model, age and general condition. The amount that you choose to cover is called the sum covered. Please note that you could be penalised if your motorcycle is under-covered (see Section A2e 'Under-Coverage' in page 8).

For example, if the market value of your motorcycle is RM10,000 but you only covered it for RM8,000 then you could be penalised for under-covered. Assuming the loss is assessed at **RM3,000**, instead of we paying the full amount, you could be made to bear a portion of the loss in proportion to the under-cover as follows:

| | | | | | | | | | |
|--------------|--------|---|-------|-------------|--|--|--|--|----------------|
| Sum Covered | | = | | RM8,000 | | | | | |
| ----- | x Loss | | ----- | x RM3,000 = | | | | | RM2,400 |
| Market Value | | | | RM10,000 | | | | | |

Therefore we will pay **RM2,400** while the balance of **RM600 will be borne by you**.

You would be penalised as shown above if the market value of your motorcycle exceeds the sum covered by 10%. On the other hand, it would be inappropriate to over-cover as your Takaful operator would only pay your claim based on the market value. One way to protect yourself from being under-covered or over-covered is to opt for the sum covered determined by a market valuation system approved by Persatuan Insurans Am Malaysia (PIAM).

What is No Claim Discount (“NCD”)?

This is a form of contribution discount for not having made a claim during the preceding period of your Takaful (provided the period of Takaful exceeds one year). The scale of NCD applied is specifically mentioned in the certificate.

The applicable NCD can be checked with us or the Central NCD Database (“CND”) at <https://www.mycarinfo.com.my/ncdcheck/online> before you obtain of your Motorcycle Certificate.

What is an Excess?

This is the first amount that you have to bear yourself for each and every claim that we approve, even if the incident is not your fault. However, please note that the excess does not apply to loss or damage caused by fire, explosion, lightning, burglary, housebreaking, theft, third party property damage or bodily injury claims. Please check your Certificate Schedule to find out the amount that you are liable to pay. This is referred to as Compulsory Excess (see page 9) in your certificate.

*As an example, if we assess the claim payable to be **RM3,000** but your certificate carries an excess of **RM200**, you will have to bear the first **RM200** yourself and the balance of **RM9,500** will be paid.*

Do’s and Don’ts – after you have had an accident or theft

- **Do:**
 - **Call Accident Assist Call Centre (AACC) 24 hours nationwide Takaful road accident Helpline number **1-300-22-1188 or 15-500****
for immediate road assistance or tow service in the event of a road accident, or to make an enquiry on claims procedure;
 - *inform us as soon as possible about any incident which may give rise to a claim;*
 - *report all accidents to the police within 24 hours as required by law;*
 - *submit immediately to us all letters, claims, writs and summons which you have received from third parties as a result of the incident;*
 - *remove your motorcycle to your Takaful operator’s approved panel repairer for repairs; and*
 - *fully fill up the relevant sections of your claim form – do not put “refer to police report”.*

- **Don’t:**
 - *negotiate, admit or repudiate any claim without our consent (see Condition 2 in page 17); and*
 - *authorise repair without our consent (see Condition 2f in page 16).*

Condition 2 of your certificate (see page 16 and 17) spells out the do’s and the don’ts after an accident or theft in more detail.

2: Basis of Settlement

This section explains how **We** will settle **Your** claim once **We** accept that it is payable under Section A. If **Your Motorcycle** is damaged as a result of any **Incident**, **We** have the option of doing the following:

a. If Your Motorcycle is Repairable

If in **Our** opinion **Your Motorcycle** is economical to repair, **We** have the option to:

- arrange for **Your Motorcycle** to be repaired at **Our** approved **Repairer** and pay the cost of repairing **Your Motorcycle** to the condition which is as near as possible to the condition that it was in before the loss happened;
- pay **You** in cash the amount **We** estimate it would cost to repair **Your Motorcycle**; or
- reinstate or replace **Your Motorcycle** with one of the same make, model, age and general condition.

b. If Your Motorcycle is not Repairable

If in **Our** opinion, the damage to **Your Motorcycle** is so great that it would not be safe or economical to repair, **We** will declare **Your Motorcycle** "Beyond Economic Repair" ("BER") and **You** will be paid up to the maximum amount as stated in (d) below or offer **You** a settlement sum equivalent to the **Market Value**. We may also opt to replace **Your Motorcycle** with one of the same make, model, age and general condition. If **We** take any of these actions, this **Certificate** shall be automatically terminated once **We** make payment.

*In cases where the valuation of the franchise-holder vary from **Market Value** by more than 10%, **We** would also have the option to offer a settlement value which is equal to the cost of acquiring a replacement motorcycle of the same make, model and age of the **Motorcycle** at the time of loss. It is **Our** option to offer **You** a replacement of the **Motorcycle**, should **You** not agree with the offer.*

c. Replacement Parts

If the spare parts or **Accessories** required to repair **Your Motorcycle** are not available in Malaysia, or if **We** choose to pay for the loss or damage in cash, **We** will settle **Your** claim on the following basis:

- the last known parts price list issued in Malaysia by the manufacturer or their agent. If the price list in Malaysia does not exist, **We** will use the price at the manufacturer's production plant and include reasonable cost of transportation to Malaysia (but not cost of air freight); and
- the reasonable labour cost of fitting such spare parts or **Accessories** in Malaysia.

d. The Maximum Amount will Be Paid To You

If **Your Motorcycle** is BER or stolen and not recovered, the amount payable under the **Certificate** will be the **Market Value** at the time of the loss or the **Sum Covered** as shown in the **Schedule**, whichever sum is the lesser. Upon **Our** payment of the said amount, this **Certificate** shall be automatically terminated. The **Market Value** is to be determined according to clauses 13 and 14 of Section F.

e. Under-Coverage

If the **Sum Covered** of **Your Motorcycle** is less than the **Market Value** at the time of the loss, **We** will only pay part of the loss in proportion to the difference between the **Market Value** and the **Sum Covered** as shown in the formula below:

$$\frac{\text{Sum Covered}}{\text{Market Value}} \times \text{Assessed Loss}$$

The balance has to be borne by **You**. However, this will only apply if the under-covered amount is more than 10% of the **Market Value**.

f. Betterment

If new original parts are used to repair **Your Motorcycle** and as a result of which **Your Motorcycle** is in a better condition than it was before the damage, **You** would be required to contribute to its betterment, a proportion of the costs of such new original parts. **Your** contribution would be according to the following scale:

| Age of Your Motorcycle (Years) | Rate of Betterment |
|--------------------------------|--------------------|
| less than 5 | 0 |
| 5 | 15% |
| 6 | 20% |
| 7 | 25% |
| 8 | 30% |
| 9 | 35% |
| 10 and above | 40% |

To determine the rate of betterment to be applied, the age of **Your Motorcycle** will be calculated based on when it was originally registered in Malaysia:

| | |
|---|-------------------------------|
| a. as a locally assembled motorcycle | Date of Original Registration |
| b. as a new imported Completely Built Unit (CBU) motorcycle | Year of Manufacture |
| c. as an imported second-hand/used/reconditioned motorcycle | Year of Manufacture |

g. Compulsory Excess (please see page 5 for explanation)

In addition to the **Excess** shown in the **Schedule**, **We** have the right to deduct the **Excess** from the amount that **We** would have to pay for each and every claim under Section A arising out of one **Incident**.

This **Excess** does not apply if the loss or damage is caused by fire, explosion, lightning, burglary, housebreaking, theft, third party property damage or bodily injury claims.

3: Towing Costs

If **Your Motorcycle** cannot be ridden as a result of any damage to it that is covered by this **Certificate**, an amount up to a maximum of RM50 will be paid for the necessary and reasonable costs to remove **Your Motorcycle** to the nearest approved **Repairer** or to a safe place of storage while awaiting repair or disposal.

Section C: No Claim Discount

This section spells out the reward system known as the "No Claim Discount".

1. No Claim Discount (NCD)

If **You** have covered **Your Motorcycle** for a continuous period of 12 months and **You** or anyone else did not make any claim under this **Certificate** during that time, a NCD will be applied at each renewal. The applicable NCD will increase with each renewal if **You** continue to have claim free years as follows:

| Claim Free Year of Takaful | NCD Entitlement |
|--|-----------------|
| After 1 continuous claim free year | 15% |
| After 2 continuous claim free years | 20% |
| After 3 continuous claim free years and beyond | 25% |

2. One Claim and Your NCD is Down to Zero

If **You** or anybody else meet with an **Incident** which will give rise to a claim on this **Certificate**, the NCD entitlement that **You** have accumulated would drop to zero at the next renewal and **Your** NCD will start all over again. If a claim is received after the NCD has been applied, **We** shall be entitled to recover the NCD given from **You**.

3. Exception to this Rule

Your NCD will not be affected even if a claim is made if:

- We are of the opinion that You are not at fault for causing the loss;
- the offending vehicle is identifiable and is not a vehicle used for carriage of passengers for hire or reward (for example taxis, hire cars, public buses, stage buses, school buses and factory buses for hire);
- the offending vehicle is covered by a Malaysian licensed Takaful operator; and
- there is no death or personal injury claim involved.

4. Your NCD is not Transferable

The NCD is personal to You which means that if You were to sell Your Motorcycle and We agree to transfer this Certificate to the new owner, Your NCD cannot be transferred for the benefit of the new owner.

5. Non-utilisation of NCD

For every year that the NCD is not utilised by You, the NCD accumulated and applicable for this Certificate will be reversed in accordance with the scale set out in the table in clause C1 above.
