EXPLANATORY NOTES

How to read this document
Please note that your Motorcycle Certificate only starts from page 6 onwards. To help you read and understand your certificate better we provide some explanatory notes together with comments and examples (written in italic). These are not meant to be part of your certificate and should not be used to interpret your Takaful contract in the event of any dispute.

Words in bold
You will notice that some words in the certificate are printed in bold letters. This is because they have been given specific meaning in your Motorcycle Certificate. Please refer to Section F on pages 17 to 19 for the meaning of these words.

What makes up your Takaful contract?
Your Takaful contract with us is made up of the following:
• Takaful certificate in pages 6 to 25 (excluding the italic texts);
• the information you provided us when you applied for this Takaful;
• the Schedule;
• the Endorsements attached to the certificate; and
• the Certificate of Takaful (CT).
All these must be read together as they form your Takaful contract.

Failure to have taken reasonable care in answering the questions may result in avoidance of your contract of Takaful, refusal or reduction of your claim(s), change of terms or termination of your contract of Takaful in accordance with Schedule 9 of the Islamic Financial Services Act 2013. You were also required to disclose any other matter that you knew to be relevant to our decision in accepting the risks and determining the rates and terms to be applied.

You also have a duty to tell us immediately if at any time after your contract of Takaful has been entered into, varied or renewed with us, any of the information given in the Proposal Form (or when you applied for this Takaful) is inaccurate or has changed.

B. Non-Consumer Takaful Contract

You also have a duty to tell us immediately if at any time after your contract of Takaful has been entered into, varied or renewed with us, any of the information given in the Proposal Form (or when you applied for this Takaful) is inaccurate or has changed.

If you misrepresented any facts to us before the certificate is entered into, examples of the actions that may be taken by us against you include the following:
• declare your certificate void from inception (which means treating it as invalid), and we will not pay any claim;
• cancel this certificate and return any contribution less any charge or recover any unpaid contribution;
• recover any shortfall in contribution;
• not pay any claim that has been or will be made under the certificate; or
• be entitled to recover from you the total amount of any claim already paid under the certificate or any claim we have to pay because of any relevant road traffic legislation, plus any recovery cost.
What is covered?
Your Takaful does not cover you against everything that can happen to your motorcycle. Check out the Schedule that we issued to you to know the type of cover you had. The main types of cover are:

What this certificate does not cover?
These are referred to as ‘Exceptions’ in your certificate and there are three sections where you can find them:

- Section A1b – see ‘What is Not Covered’ (page 7): applicable to Comprehensive certificate only.
- Section B1b – see ‘What is Not Covered’ (pages 10 and 11): applicable to Comprehensive, Third Party, Fire & Theft and Third Party Only certificates.
- Section D – see ‘General Exceptions’ (pages 12 to 13): applicable to Comprehensive, Third Party, Fire & Theft and Third Party Only certificates.

There are generally three reasons why we put these exceptions in your basic Motorcycle Certificate:

1. Cover is not provided for the exceptions. You have to pay additional contribution if you want to cover any of these exceptions. Some examples of the exceptions which are not covered by your basic Motorcycle Certificate but which can be covered if you pay additional contribution are:
   - flood, storm (see Section A1b – ‘What is not Covered’ (page 7));
   - strike, riot, civil commotion (see Section D – ‘General Exception Bb’ (page 13)); and
   - use outside Malaysia, Singapore or Brunei (see Section D – ‘General Exception 6’ (page 13)).

2. There are other risks which are not covered by the basic Motorcycle Certificate or by any of its extensions. We would have to issue a different certificate if you want these types of cover. For example, carriage of goods are not covered by your Private Motorcycle Certificate but can be covered under a Commercial Motorcycle Certificate.

3. We cannot and do not cover certain risks at all. Some examples of these can be seen in Section D – ‘General Exceptions’ (pages 12 to 13) such as:
   - war, nuclear fission or fusion;
   - risks that are against government/public policy or against the law; and
   - drunk riding.

Your Motorcycle Certificate type is categorised by its permitted use – Make sure that you have obtained the correct certificate type for your motorcycle or you may have no cover.

Each type of Motorcycle Certificate covers a specific usage of the vehicle. If you have obtained for the wrong Motorcycle Certificate type, you may find that you actually have no Takaful cover at all. The type of Motorcycle Certificate is stated in the Certificate of Takaful under the heading ‘Limitations as to Use’. Users for whom you have cover are named under the heading ‘Persons or Classes of Persons Entitled to Drive’.

The following are standard types of Motorcycle Certificates:

i. Private Use
ii. Commercial Use
iii. Motorcycle Trade
iv. Motorcycle Used for Hire

A Motorcycle Certificate for Private Use covers you if your motorcycle is used for “social, domestic and pleasure purposes and for the participant’s business”. The following are some examples of these personal situations for which your Takaful certificate will provide you cover:
- to visit relatives and friends, go shopping etc.;
- giving lifts where no fee will be charged or paid; and
- limited work or business related transport such as getting to and from work and for attending business meetings.

A Motorcycle Certificate for Commercial Use must be obtained if the motorcycle is meant or intended to ferry any goods in connection with any trade or business.

A Motorcycle Certificate for Trade Plate Use is intended for:
- motorcycle retail trade (showroom display and/or for test-ride, etc.); and
- repair trade (towing/repair/test-ride, etc.).

A Motorcycle Used for Hire is intended for motorcycles which are in the business of being rented or hired out for use (see Very Important Note below).
VERY IMPORTANT NOTE: Unless your Certificate is specifically extended for this purpose, you will have no Takaful cover if you use your motorcycle in the following manner:
- to practise for or to take part in any race, rally, pacemaking, reliability trial or speed test;
- use on any racetrack; and
- for rental, hire and reward.

Who can ride your motorcycle?
- This depends on whether you have obtained the ‘Single Rider’ or the ‘All-Riders’ cover. The ‘Single Rider’ only covers one rider who is named in the certificate. The person named is usually the owner of the motorcycle. The problem with the ‘Single Rider’ cover is that the certificate will not cover if an accident happens while the motorcycle is being used by someone other than the participant named rider. As such, most customers prefer the ‘All-Riders’ cover as lending motorcycles to friends and relatives is quite commonly practised in Malaysia.
- With the ‘All-Riders’ cover practically anyone can ride your motorcycle as long as the rider:
  - has a valid licence of the relevant class to ride and is not disqualified to ride by law or for some other reason (see exclusion on Unlicensed Riders in Section D – ‘General Exception 1’ (page 12));
  - has your permission to ride (see definition of Authorised Rider in page 19); and
  - complies with all the terms and conditions of this certificate.
- Note that for either cover, if you or your authorised rider is not qualified to ride or breach any of the terms and conditions, your claim may be rejected. If we are compelled by law to pay, we can recover any sum(s) paid and any expenses incurred from you or your authorised rider.

In which territory is your motorcycle covered?
This Takaful you have participated only covers you in Malaysia, Singapore and Brunei in accordance to the laws of Malaysia. Additionally, note that if you intend to ride your motorcycle into Singapore, you are required by Singapore’s law to have cover against Legal Liability to Pillion (LLP). Since LLP is not covered by the basic Motorcycle Certificate, you will need to obtain Endorsement 108 (see page 26), which provides a limited cover for your liability for death or bodily injury of pillion.

When is your cover effective?
This Takaful is effective from the time of participation of the Takaful contract or at the agreed time of commencement, until the expiry date. The period of Takaful will be printed in the Certificate Schedule and related documents. If there is any change to these dates, it will be officially shown in an Endorsement issued by us.

How much should you cover your motorcycle for under a Comprehensive or Third Party, Fire and Theft Certificate?
To be safe, you should cover your motorcycle at its current market value (see definition in page 18). In simple terms, this is the current cost to replace your motorcycle with another motorcycle of the same make, model, age and general condition. The amount that you choose to cover is called the sum covered. Please note that you could be penalised if your motorcycle is under-covered (see Section A2e ‘Under-Coverage’ in page 8).

For example, if the market value of your motorcycle is RM10,000 but you only covered it for RM8,000 then you could be penalised for under-covered. Assuming the loss is assessed at RM3,000, instead of we paying the full amount, you could be made to bear a portion of the loss in proportion to the under-cover as follows:

\[
\begin{align*}
\text{Sum Covered} & \quad \text{RM8,000} \\
\hline
\text{Market Value} & \quad \text{RM10,000} \\
\text{x Loss} & \quad \text{=} \\
\text{x RM3,000} & \quad \text{= RM2,400}
\end{align*}
\]

Therefore we will pay RM2,400 while the balance of RM600 will be borne by you.

You would be penalised as shown above if the market value of your motorcycle exceeds the sum covered by 10%. On the other hand, it would be inappropriate to over-cover as your Takaful operator would only pay your claim based on the market value. One way to protect yourself from being under-covered or over-covered is to opt for the sum covered determined by a market valuation system approved by Persatuan Insurans Am Malaysia (PIAM).
What is No Claim Discount ("NCD")?
This is a form of contribution discount for not having made a claim during the preceding period of your Takaful (provided the period of Takaful exceeds one year). The scale of NCD applied is specifically mentioned in the certificate.

The applicable NCD can be checked with us or the Central NCD Database ("CND") at https://www.mycarinfo.com.my/ncdcheck/online before you obtain your Motorcycle Certificate.

What is an Excess?
This is the first amount that you have to bear yourself for each and every claim that we approve, even if the incident is not your fault. However, please note that the excess does not apply to loss or damage caused by fire, explosion, lightning, burglary, housebreaking, theft, third party property damage or bodily injury claims. Please check your Certificate Schedule to find out the amount that you are liable to pay. This is referred to as Compulsory Excess (see page 9) in your certificate.

As an example, if we assess the claim payable to be RM3,000 but your certificate carries an excess of RM200, you will have to bear the first RM200 yourself and the balance of RM9,800 will be paid.

Do’s and Don’ts – after you have had an accident or theft
- **Do:**
  - Call Accident Assist Call Centre (AACC) 24 hours nationwide Takaful road accident Helpline number 1-300-22-1188 or 15-500 for immediate road assistance or tow service in the event of a road accident, or to make an enquiry on claims procedure;
  - inform us as soon as possible about any incident which may give rise to a claim;
  - report all accidents to the police within 24 hours as required by law;
  - submit immediately to us all letters, claims, writs and summons which you have received from third parties as a result of the incident;
  - remove your motorcycle to your Takaful operator’s approved panel repairer for repairs; and

- **Don’t:**

  - authorise repair without our consent (see Condition 2f in page 16).

Condition 2 of your certificate (see page 16 and 17) spells out the do’s and the don’ts after an accident or theft in more detail.

   d. across the sea by ferry or ship or any sea faring vessels etc. between the island of Penang and the mainland only.

1b: What Is Not Covered

The events which are not covered are the exceptions listed below. These exceptions are specific to Section A and are in addition to exceptions listed in Section D and the applicable Endorsements.

We will not pay for the following losses:

(i) **Consequential Losses**
   Any direct or indirect losses of any kind that may arise as a consequence of any Incident other than that provided for in Section A2.

(ii) **Loss of Use**
   Any expense or financial loss that You may incur because You cannot use Your Motorcycle e.g. cost of hiring replacement motorcycle, travelling expenses etc.

   Loss or damage to accessories (or any part thereof) caused by theft unless Your Motorcycle is stolen at the same time.

(x) **Cheating or Criminal Breach of Trust**
   Any loss or damage, including theft, caused by or attributed to the act of Cheating or Criminal Breach of Trust by any person.
2: Basis of Settlement

This section explains how We will settle Your claim once We accept that it is payable under Section A. If Your Motorcycle is damaged as a result of any Incident, We have the option of doing the following:

a. If Your Motorcycle is Repairable
   If in Our opinion Your Motorcycle is economical to repair, We have the option to:
   - arrange for Your Motorcycle to be repaired at Our approved Repairer and pay the cost of repairing Your Motorcycle to the condition which is as near as possible to the condition that it was in before the loss happened;
   - pay You in cash the amount We estimate it would cost to repair Your Motorcycle; or
   - reinstate or replace Your Motorcycle with one of the same make, model, age and general condition.

b. If Your Motorcycle is not Repairable
   If in Our opinion, the damage to Your Motorcycle is so great that it would not be safe or economical to repair, We will declare Your Motorcycle "Beyond Economic Repair" ("BER") and You will be paid up to the maximum amount as stated in (d) below or offer You a settlement sum equivalent to the Market Value. We may also opt to replace Your Motorcycle with one of the same make, model, age and general condition. If We take any of these actions, this Certificate shall be automatically terminated once We make payment.

In cases where the valuation of the franchise-holder vary from Market Value by more than 10%, We would also have the option to offer a settlement value which is equal to the cost of acquiring a replacement motorcycle of the same make, model and age of the Motorcycle at the time of loss. It is Our option to offer You a replacement of the Motorcycle, should You not agree with the offer.

c. Replacement Parts
   If the spare parts or Accessories required to repair Your Motorcycle are not available in Malaysia, or if We choose to pay for the loss or damage in cash, We will settle Your claim on the following basis:
   - the last known parts price list issued in Malaysia by the manufacturer or their agent. If the price list in Malaysia does not exist, We will use the price at the manufacturer’s production plant and include reasonable cost of transportation to Malaysia (but not cost of air freight); and
   - the reasonable labour cost of fitting such spare parts or Accessories in Malaysia.

d. The Maximum Amount will Be Paid To You
   If Your Motorcycle is BER or stolen and not recovered, the amount payable under the Certificate will be the Market Value at the time of the loss or the Sum Covered as shown in the Schedule, whichever sum is the lesser. Upon Our payment of the said amount, this Certificate shall be automatically terminated. The Market Value is to be determined according to clauses 13 and 14 of Section F.

e. Under-Coverage
   If the Sum Covered of Your Motorcycle is less than the Market Value at the time of the loss, We will only pay part of the loss in proportion to the difference between the Market Value and the Sum Covered as shown in the formula below:

   \[
   \text{Sum Covered} \times \frac{\text{Assessed Loss}}{\text{Market Value}}
   \]

   The balance has to be borne by You. However, this will only apply if the under-covered amount is more than 10% of the Market Value.

f. Betterment
   If new original parts are used to repair Your Motorcycle and as a result of which Your Motorcycle is in a better condition than it was before the damage, You would be required to contribute to its betterment, a proportion of the costs of such new original parts. Your contribution would be according to the following scale:
Age of Your Motorcycle (Years) | Rate of Betterment
--- | ---
less than 5 | 0%
5 | 15%
6 | 20%
7 | 25%
8 | 30%
9 | 35%
10 and above | 40%

To determine the rate of betterment to be applied, the age of Your Motorcycle will be calculated based on when it was originally registered in Malaysia:

a. as a locally assembled motorcycle | Date of Original Registration
b. as a new imported Completely Built Unit (CBU) motorcycle | Year of Manufacture
c. as an imported second-hand/used/reconditioned motorcycle | Year of Manufacture
g. **Compulsory Excess (please see page 5 for explanation)**

In addition to the Excess shown in the Schedule, We have the right to deduct the Excess from the amount that We would have to pay for each and every claim under Section A arising out of one Incident.

This Excess does not apply if the loss or damage is caused by fire, explosion, lightning, burglary, housebreaking, theft, third party property damage or bodily injury claims.

### 3: Towing Costs

If Your Motorcycle cannot be ridden as a result of any damage to it that is covered by this Certificate, an amount up to a maximum of RM50 will be paid for the necessary and reasonable costs to remove Your Motorcycle to the nearest approved Repairer or to a safe place of storage while awaiting repair or disposal.
Section B: Liability to Third Parties

This section explains what is covered and not covered under Section B.

1a: What is Covered?

You and/or Your Authorised Rider will be indemnified for the amount which You and/or Your Authorised Rider are legally liable to pay any third party (including third party’s costs and expenses) for:

(i) death or bodily injury to any person except those specifically excluded under this Certificate; and/or

(ii) damage to property except those specifically excluded under this Certificate

as a result of an Incident arising out of the use of Your Motorcycle on a Road. This cover is extended to Your Authorised Rider provided Your Authorised Rider also complies with all the terms and conditions of this Certificate.

2: Limits of Our Liability

We will pay the following for any one claim, or series of claims arising from one Incident, in any one Period of Takaful:

(i) unlimited amount for death or bodily injury to third party; and/or

(ii) up to a maximum of RM3 million for third party property damage.

3: Cover for Legal Personal Representatives

Following the death of any person covered under this Certificate, We will indemnify that person’s legal representatives for liability covered under this Section, provided such legal representatives comply with all the terms and conditions of the Certificate.

1b: What is Not Covered?

These exceptions are specific to Section B and are in addition to the Exceptions stated in Section D of this Certificate and any other applicable Endorsements.

We will not pay for:

(i) death or bodily injury to any Pillion being carried for hire or reward;

(ii) death or bodily injury to any person where such death or injury arises out of and in the course of the employment of such person by You or by Your Authorised Rider;

Under the Road Transport Act 1987, this Certificate shall not be required to cover, except in the case of a motor vehicle in which passengers are carried for hire or reward or by reason of or in pursuance of a certificate of employment, liability in respect of death of or bodily injury to persons being carried in or upon or entering or getting onto or alighting from the motor vehicle at the time of the occurrence of the event out of which the claims arise.

In the course of employment – Any person who is injured/dies (whether as Pillion or otherwise) while on the job and is on the said Motorcycle as part of his/her employment e.g. mechanic.

(iii) damage to property belonging to or in the custody of or control of or held in trust by You or Your Authorised Rider and/or any member of Your or Your Authorised Rider’s Household;

(iv) liability to any person being carried upon or getting onto or alighting from Your Motorcycle unless he/she is required to be carried on Your Motorcycle by reason of or in pursuance of his/her certificate of employment with You or Your Authorised Rider and/or his/her employer;

In pursuance of the certificate of employment – The Pillion is required to be carried to a destination in order to carry out the job as spelt out in his/her certificate of employment.
If You or Your Authorised Rider is charged for reckless and dangerous riding or careless or inconsiderate riding under the Road Transport Act 1987 or any other offence related to the said Incident, legal cost incurred will be paid up to a maximum of RM2,000 to defend You or Your Authorised Rider provided always that such costs are incurred in Malaysia, the Republic of Singapore or Negara Brunei Darussalam, and provided that Our prior written consent had been secured.

Only legal cost will be paid and any penalty imposed on You or Your Authorised Rider will not be paid.

(v) liability caused by a Pillion travelling on or alighting from Your Motorcycle;

(vi) any claims brought against You by any rider of Your Motorcycle, whether authorised or not;

(vii) death or bodily injury to any person or damage to property caused or arising outside the limits of any carriageway or thoroughfare in connection with the loading onto and unloading from Your Motorcycle;

(viii) any claims brought against any person in any country in courts outside Malaysia, the Republic of Singapore or Negara Brunei Darussalam; and/or

(ix) all legal costs and expenses which are not incurred in or recoverable in Malaysia, the Republic of Singapore and Negara Brunei Darussalam.

Section C: No Claim Discount

This section spells out the reward system known as the “No Claim Discount”.

1. No Claim Discount (NCD)

If You have covered Your Motorcycle for a continuous period of 12 months and You or anyone else did not make any claim under this Certificate during that time, a NCD will be applied at each renewal. The applicable NCD will increase with each renewal if You continue to have claim free years as follows:

<table>
<thead>
<tr>
<th>Claim Free Year of Takaful</th>
<th>NCD Entitlement</th>
</tr>
</thead>
<tbody>
<tr>
<td>After 1 continuous claim free year</td>
<td>15%</td>
</tr>
<tr>
<td>After 2 continuous claim free years</td>
<td>20%</td>
</tr>
<tr>
<td>After 3 continuous claim free years and beyond</td>
<td>25%</td>
</tr>
</tbody>
</table>

2. One Claim and Your NCD is Down to Zero

If You or anybody else meet with an Incident which will give rise to a claim on this Certificate, the NCD entitlement that You have accumulated would drop to zero at the next renewal and Your NCD will start all over again. - What You must not do
- What We can do

Conditions Precedent to Certificate Liability

The following conditions are conditions precedent to Our liability to pay You any indemnity under this Certificate and have to be observed by You strictly. We can repudiate this Certificate and/or will not pay claims under the Certificate if You breach any of the relevant conditions. These conditions also apply to Your Authorised Rider and any legal representative who seek indemnity under this Certificate.

1. Duty of Disclosure

The duty of disclosure is different for a Consumer Takaful Certificate and for a Non-Consumer Takaful Certificate. They are separately outlined below:

A. Consumer Takaful Certificate

Where You have applied for this Takaful wholly for purposes unrelated to Your trade, business or profession, You had a duty to take reasonable care not to make a misrepresentation in answering the questions in the Proposal Form (or when You applied for this Takaful) i.e. You should have answered the questions fully and accurately. Failure to have taken reasonable care in answering the questions may result in avoidance of Your certificate of Takaful, refusal or reduction of Your claim(s), change of terms or termination of Your certificate of Takaful in accordance with Schedule 9 of the Islamic Financial Services Act 2013. You were also required to disclose any other matter that You knew to be relevant to Our decision in accepting the risks and determining the rates and terms to be applied.

You also have a duty to tell Us immediately if at any time after Your certificate of Takaful has been entered into, varied or renewed with Us, any of the information given in the Proposal Form (or when You applied for this Takaful) is inaccurate or has changed.

B. Non-Consumer Takaful Certificate

Where You have applied for this Takaful for purposes related to Your trade, business or profession, You had a duty to disclose any matter that You know to be relevant to Our decision in accepting the risks and determining the rates and terms to be applied, and any matter a reasonable person in the circumstances could be expected to know to be relevant, otherwise it may result in avoidance of Your certificate of Takaful, refusal or reduction of Your claim(s), change of terms or termination of Your certificate of Takaful.

You also have a duty to tell Us immediately if at any time after Your certificate of Takaful has been entered into, varied or renewed with Us, any of the information given in the Proposal Form (or when You applied for this Takaful) is inaccurate or has changed.
