

Read this Product Disclosure Sheet before you decide to participate in Takaful myClick PA. Please be sure to also read the general terms and conditions.

1. What is this product about?

Takaful myClick PA is a comprehensive protection plan designed to safeguard your family's finances against the high risk of accidents – **easily, affordably and in just a few clicks.**

It pays a lump sum benefit if you or a covered family member suffer death or total and permanent disablement directly as a result of an accident and independently of any other cause, within one hundred eighty (180) days of the date of the accident. This benefit doubles if the death or total and permanent disablement is due to traffic accident. And, for even greater peace of mind, the plan offers a range of optional add-on accident benefits at very little additional cost.

Coverage is valid **24/7, year-round, anywhere in the world.**

2. What are the Shariah concepts applicable?

This product applies the following Shariah concepts:

- Hibah** refers to a transfer of ownership of an asset from a donor to a recipient without any consideration. Under this product, the benefits payable from General Takaful Fund ("GTF") is based on Hibah. The Nominee may receive the benefit payable under this product if the Nominee is a beneficiary under conditional Hibah.
- Ju'alah** refers to a contract where a party offers a specified reward to another party who achieved a determined result. Under this product, the participant allows Syarikat Takaful Malaysia Am Berhad [Registration No.: 201701032316 (1246486-D)], ("We", "Us", "Our", or "Takaful Malaysia") to receive a portion of distributable surplus arising from the GTF as performance incentive for Takaful Malaysia's achievement in managing the GTF which results in the surplus.
- Qard** refers to a contract of lending money by a lender to a borrower where the latter is bound to repay an equivalent replacement amount to the lender. Under this product, Takaful Malaysia will lend an amount of money to the GTF without interest if the GTF is in deficit.
- Tabarru'** means donation for charitable purposes. Under this product, the participant donates a portion of the contribution to the GTF to help other participants. Tabarru' takes into effect when the participant contributes to the GTF.
- Wakalah** refers to a contract where a party, as principal authorizes another party as his/her agent to perform a particular task on matters that may be delegated, with or without the imposition of a fee. Under this product, the participant authorizes Takaful Malaysia to manage the GTF and in return, Takaful Malaysia will receive a Wakalah fee.
