► Our Competitive Advantage

Our ability to generate value for our business and our stakeholders is enhanced by the following key competitive advantages:

A Trusted Nation-Builder

Since 1984, we have been at the vanguard of takaful protection in Malaysia, spearheading trusted solutions that have solidified our reputation as a driver of national development.

Established Market Leadership

We are the largest Family Takaful operator and second largest General Takaful operator in the takaful industry, while our bancatakaful and treasury businesses are the largest in the industry.

Wide Range of Products & Solutions

Our protection solutions span all major consumer and business takaful categories, including motor, travel, medical, home, employee benefits and more.

Multi-Channel Distribution Capabilities

In addition to our growing digital and direct presence, we serve our customers through a rivaled range of distribution partnerships with financial institutions, corporate agents and brokers.

A Culture of Innovation

We remain attuned and responsive to our customers' shifting needs, needs, introducing a total of four (4) products in FY2022 alone, including products that meet the needs of underserved segments.

► Family Takaful

Our Family Takaful products are offered and managed by Takaful Malaysia Keluarga.

Takaful Malaysia Keluarga offers a range of solutions, including term protection, critical illness protection, medical cover and more. Collectively, these solutions provide protection to certificate holders across many areas of their personal and professional lives, enabling them to plan for the future with confidence.
