1. INTRODUCTION

On 26 March 2026, the Company announced to Bursa Securities that the Company proposes to seek approval of its shareholders at the forthcoming AGM of the Company for the Proposed Renewal Mandate.

At AGM held on 21 May 2025, the Company obtained a general mandate from the shareholders for the Company to enter into Recurrent Related Party Transactions. The said general mandate for Recurrent Related Party Transactions shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming AGM unless authority for its renewal is obtained from its shareholders.

The Company proposes to seek a renewal of the mandate from shareholders to enter into arrangements or transactions with Related Parties, which are necessary for the day-to-day operations of the Company and are based on normal commercial terms that are not more favourable to the Related Parties than those generally made available to the public.

THE PURPOSE OF THIS CIRCULAR IS TO PROVIDE YOU WITH DETAILS ON THE PROPOSED RENEWAL MANDATE, TO SET OUT THE VIEWS OF YOUR BOARD AND SEEK YOUR APPROVAL FOR THE RESOLUTION PERTAINING TO THE PROPOSED RENEWAL MANDATE TO BE TABLED AT THE FORTHCOMING AGM.

SHAREHOLDERS ARE ADVISED TO READ THIS CIRCULAR BEFORE VOTING ON THE RESOLUTION TO GIVE EFFECT TO THE PROPOSED RENEWAL MANDATE TO BE TABLED AT THE FORTHCOMING AGM.

2. DETAILS OF PROPOSED RENEWAL MANDATE

2.1 Provision under Listing Requirements

Under Paragraph 10.08 of the Listing Requirements, where a listed issuer or its subsidiary or subsidiaries proposes to enter into a transaction with a related party of the listed issuer, the following provisions shall apply:-

- (i) Pursuant to Paragraph 10.08(1), where any one of the percentage ratios of a related party transaction is 0.25% or more, a listed issuer must announce the related party transaction to Bursa Securities as soon as possible after terms of the transaction have been agreed, unless
 - the value of the consideration of the transaction is less than RM500,000; or
 - it is a Recurrent Related Party Transaction.
- (ii) Pursuant to Paragraph 10.08(2), where any one of the percentage ratios of a related party transaction is 5% or more, in addition to paragraph (i) above, a listed issuer must:-
 - send a circular which includes the information set out in Appendix 10B and Appendix 10D to the shareholders;
 - obtain its shareholder approval of the transaction in general meeting; and
 - appoint an independent adviser, who is a corporate finance adviser within the meaning of the Securities Commission Malaysia's Principal Adviser Guidelines, before the terms of the transaction are agreed upon.
- (iii) Pursuant to Paragraph 10.08(4), where any one of the percentage ratios is 25% or more, in addition to paragraph (ii) above, the listed issuer must, before the terms of the transaction are agreed upon appoint a main adviser, who is a Principal Adviser.

Under Paragraph 10.09(1), a listed issuer must immediately announce a Recurrent Related Party Transaction as follows:-

- (a) the consideration, value of the assets, capital outlay or costs of the Recurrent Related Party Transactions is RM1 million or more; or
- (b) the percentage ratio of such recurrent related party transaction is 1% or more;

whichever is the higher.

Pursuant to Paragraph 10.09(3) of the Listing Requirements, where a listed issuer has procured a shareholder's mandate pursuant to Paragraph 10.09(2) of the Listing Requirements, provisions of Paragraph 10.08 of the Listing Requirements will not apply.

Paragraph 10.09(2) of the Listing Requirements which should be read in conjunction with Paragraph 10.08 of the Listing Requirements, states a listed issuer may seek a mandate from its shareholders for Recurrent Related Party Transactions subject to the following:-

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- (b) the shareholder's mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under Paragraph 10.09(1) of the Listing Requirements;
- (c) the listed issuer's circular to shareholders for the shareholders' mandate includes the information as may be prescribed by Bursa Securities. The draft circular must be submitted to Bursa Securities together with a checklist showing compliance with such information;
- (d) in a meeting to obtain shareholder unit holder mandate, the relevant related party must comply with the requirements set out in Paragraph 10.08(7) of the Listing Requirements; and

- (e) the listed issuer immediately announces to Bursa Securities when the actual value of a Recurrent Related Party Transaction entered into by the listed issuer, exceeds the estimated value of Recurrent Related Party Transaction disclosed in the circular by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement.

In compliance with Paragraph 10.09(2) of the Listing Requirements, the Company now proposes to seek the approval of its shareholders for the Proposed Renewal Mandate.

2.2 Categories of Recurrent Related Party Transactions

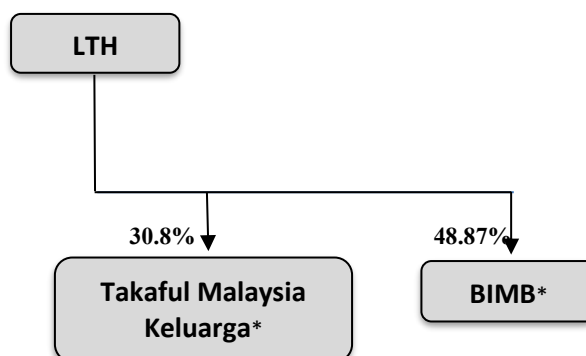

The principal activity of the Company is Family Takaful business. The principal activities of its subsidiaries are as follows:-

Name of Company	Effective percentage equity interest held as at 10 March 2026 (%)	Principal activities
Subsidiary Companies

Syarikat Takaful Malaysia Am Berhad	100.00	General takaful business

Shareholders' mandate is sought for the recurrent transactions of a revenue or trading nature which are necessary for the Company's day-to-day operations and which are carried out by Takaful Malaysia Keluarga in the ordinary course of business on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of the Company as further mentioned in Section 2.3 of this Circular.

LTH is a major shareholder of BIMB and Takaful Malaysia Keluarga as depicted below:-

Notes:

* Holds other subsidiaries

- Paragraph 10.02(l) of the Listing Requirements provides that a transaction includes the leasing of assets and therefore the leasing of real property by Takaful Malaysia Keluarga to BIMB will be regarded as a transaction for purposes of Chapter 10. The definition of 'related party' in Paragraph 1.01 of the Listing Requirements expressly provides that a major shareholder of a corporation and a person connected to such major shareholder is considered as a 'related party'. The Listing Requirements defined a person connected to a person to include a body corporate which such Person holds no less than 20% of the voting shares in such body corporate.
- BIMB is considered to be a 'related party' to Takaful Malaysia Keluarga and therefore, the leasing of properties by Takaful Malaysia Keluarga to BIMB is a related party transaction.

2.4 Review procedures in relation to Recurrent Related Party Transactions

Takaful Malaysia Keluarga has internal control systems to ensure that Recurrent Related Party Transactions are undertaken on an arm's length basis and on normal commercial term consistent with Takaful Malaysia Keluarga's usual business practices and policies, which are no more favourable to the interested parties than those extended to third parties/public and are not to the detriment of the minority shareholders. As for rental of Takaful properties, rates are charged based on prevailing market rates as well as economic situation.

Takaful Malaysia Keluarga has no thresholds for the approval of Recurrent Related Party Transactions. However, Audit Committee will review all aspects of Recurrent Related Party Transactions amounting to more than Ringgit Malaysia One Million (RM1,000,000.00) entered into to ensure that the relevant approvals have been obtained and that they are conducted at arm's length basis. As a result of this review, Audit Committee produces a statement, inter-alia, commenting on review procedures insofar that the procedures are relevant and sufficient to ensure that such Recurrent Related Party Transactions will be carried out on normal commercial terms which are not prejudicial to the interests of minority shareholders.

In order that Recurrent Related Party Transactions are conducted at arm's length and on normal commercial terms consistent with the Group's usual business practices and policies and will not be prejudicial to the minority shareholders, Management will ensure that Recurrent Related Party Transactions with interested parties will only be entered into after taking into account the pricing, level of services, quality of products and other related factors.

At least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities. Where quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined by the Group based on those offered by/to other unrelated parties for the same or substantially similar type of transaction to ensure the Recurrent Related Parties Transaction is not detrimental to the Group.

2.5 Audit Committee's Statement

Audit Committee reviewed the procedures mentioned in Section 2.4 above and is of the view that the said procedures are sufficient to ensure that Recurrent Related Party Transactions are not more favourable to Related Party than those generally available to the third party/public and are not to the detriment of the minority shareholders.

The Group has in place adequate procedures and processes to monitor, track and identify Recurrent Related Party Transactions in a timely and orderly manner, and such procedures and processes are reviewed on a yearly basis or whenever the need arises.

2.6 Validity period of the Proposed Renewal Mandate

The Proposed Renewal Mandate, if approved at the forthcoming AGM, will continue to be in force until:-

whichever is earlier.

Thereafter, approval from shareholders for a renewal of mandate in relation to recurrent related party transactions will be sought at each subsequent AGM of the Company.
